St. Francis/Kitzinger Cooperage
WID023402639

FIT has reviewed the comments submitted by James Crawford, Wisconsin Department of Natural Resources (WDNR) concerning the above-referenced site. No corrections are necessary since no corrections were requested. However, Mr. Crawford recommended additional work at the site, and a site map. FIT suggests that the WDNR put their requests into written form and send them through the proper channels to the U.S. EPA.
